Dear Mrs Wilson,  
Our trip has been fine  
so far. I'm sorry my letter  
took so long but we had  
to stay in Paris longer  
then we expected and  
on our trip in Cincinnati  
I Dropped a bowling ball  
on my finger and ~~crashed~~  
smashed it and then we went  
to Niagara Falls. So our trip  
has been oka except for  
a few minor accidents.  
Although to day my sister  
s Birthday and in six it  
will be my dad's Birthday  
and also I have a cold.
