Dear Mrs. Wilson:

The School District of Omaha has been undergoing a comprehensive self-study and evaluation of its complete K-12 program. This spring we are planning a visitation of our elementary schools. You have been highly recommended and selected to serve on the team which is scheduled to visit March 25-28, 1973.

A banquet is planned for Sunday evening, March 25, followed by area school visits on Monday, Tuesday, and Wednesday.

We certainly understand that asking you to be absent from your current job for three days is presumptuous but do believe that you'll find this a rewarding professional experience. You will, of course, be reimbursed for travel, meals, and lodging and reservations have been secured at the Omaha Hilton.

To assist us in developing our team lists and to provide advance publicity, please complete the enclosed vita sheet and return it as your acceptance in the envelope provided. Further mailings will provide team assignments, schedule of visits, and a copy of the self-study report.

Sincerely,

Clifford H. Dale
Assistant Superintendent
General Administration
